LB 274, 81

SENATOR BARNETT: Ok, we'll let him decide then. If there's no objection, then Senator Kelly your request...any objection? No objection, your request is granted. The next thing on the order is Senator Simon's...he doesn't want to do that today?

CLERK: The first bill on Select File.

SENATOR BARNETT: Just a minute. Senator Duis.

SENATOR DUIS: I was going to help you, if you need help.

CLERK: Mr. President, the first one up is LB 81, introduced by Senator Schmit to provide permits to enter the state parks. The E & R amendments have been adopted and the bill has been laid over. There are a series of amendments on the bill at this time. Mr. President, the first one up is offered by Senator Mills, who is gone. The next one up is offered by Senator Rasmussen. Read amendment.

SENATOR BARNETT: Senator Schmit, did you want to speak to the amendments after Senator Rasmussen talked to them. Is that what you would like to do? Senator Rasmussen. It's your amendments to LB 82, Senator Rasmussen.

SENATOR RASMUSSEN: I don't think I have any amendments to 82. I have to 81.

CLERK: Read amendment.

SENATOR RASMUSSEN: Just a minute. I'll come up and visit with you.

CLERK: It's LB 81 Mr. President.

SENATOR BARNETT: I'm sorry. Senator Rasmussen.

SENATOR RASMUSSEN: Would you read that again, Mr. Clerk?

CLERK: Read amendment.

SENATOR RASMUSSEN: I'll withdraw that.

SENATOR BARNETT: Next amendment.

CLERK: The next amendment, Mr. President, is again offered by Senator Rasmussen. Read amendment on page 1370 of the Journal. Signed Senator Rasmussen.

SENATOR BARNETT: Chair recognizes Senator Rasmussen.

SENATOR RASMUSSEN: Mr. President, members of the body. I think this is a very worthwhile amendment. There isn't hardly any of us on the floor or any people in the state that doesn't have 2 vehicles. There isn't any of us on the floor or most people in the state that our wives or kids don't leave 2 or 3 hours before we do, in one vehicle to go to the state park. We come along later. I don't think it's fair to the people in Nebraska to have to pay \$7.50 for both vehicles. I think it's a very reasonable amendment. I ask for the adoption.

SENATOR BARNETT: The Chair recognizes Senator Schmit, then Senator Reutzel.
